

DataPath Inc.  
FCC Form 312  
Attachment – Response to Question E 20

FAA notification is not required under 47 CFR § 17.4, nor is it required by 47 CFR § 25.113(c) because the antennas subject to this application are transportable (Temporary Fixed Earth Station). Further, the antennas will not be at a single address or location. The antennas will not be mounted on a structure. The antenna dimensions are 0.9m x 0.59m (diameter is 0.73m).
